1919 LIST

CHOICE ROSES

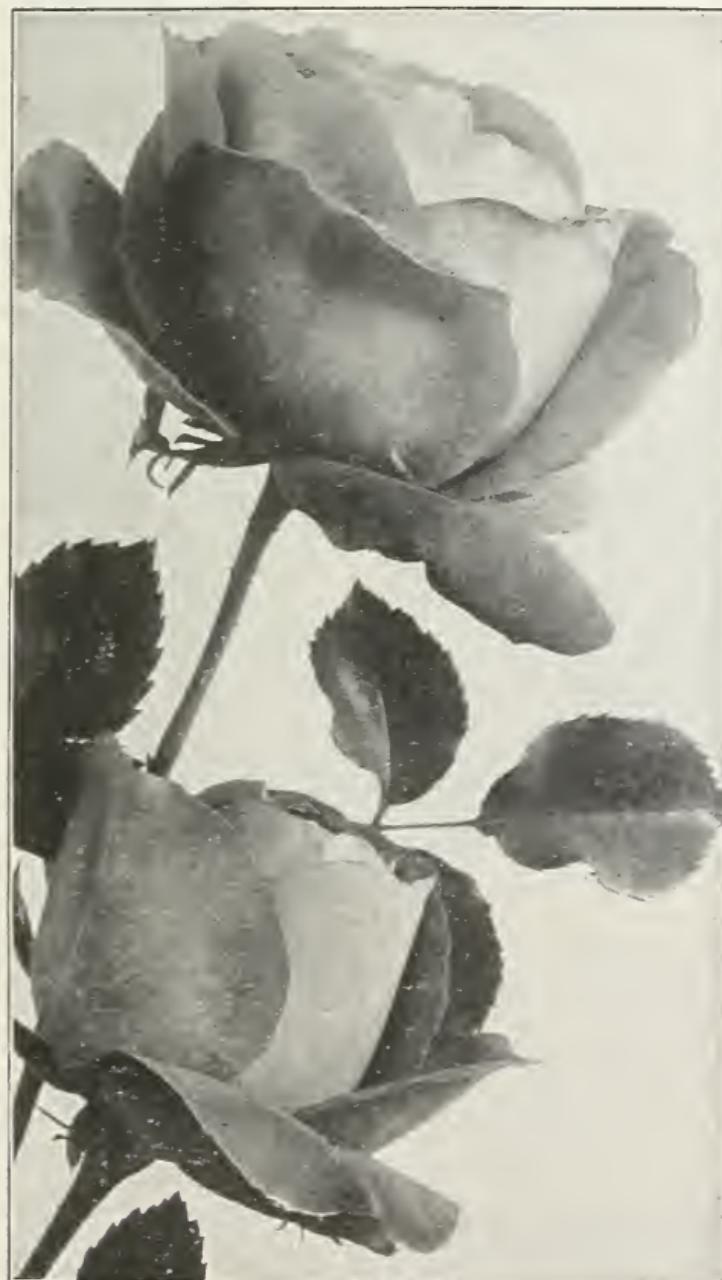

Bush Varieties

\$1.50 per dozen.

Roses 50c per dozen, our selection.

Alfred Colomb—Deep crimson, strong grower, large and full.

American Beauty—Too well known to need description. Like La France, the sales will always be heavy, as it is so well known. Color rich red, passing to crimson.

American Beauty

Baby Rambler—Rosy crimson, dwarf, bushy habit. This is the original Baby Rambler or Mme. N. Levavasseur. Constantly in bloom.

Bride—White, with edges flushed rose.

Captain Christy—Delicate peach-blown pink, center dark. Large and full. Abroad classed H. T.

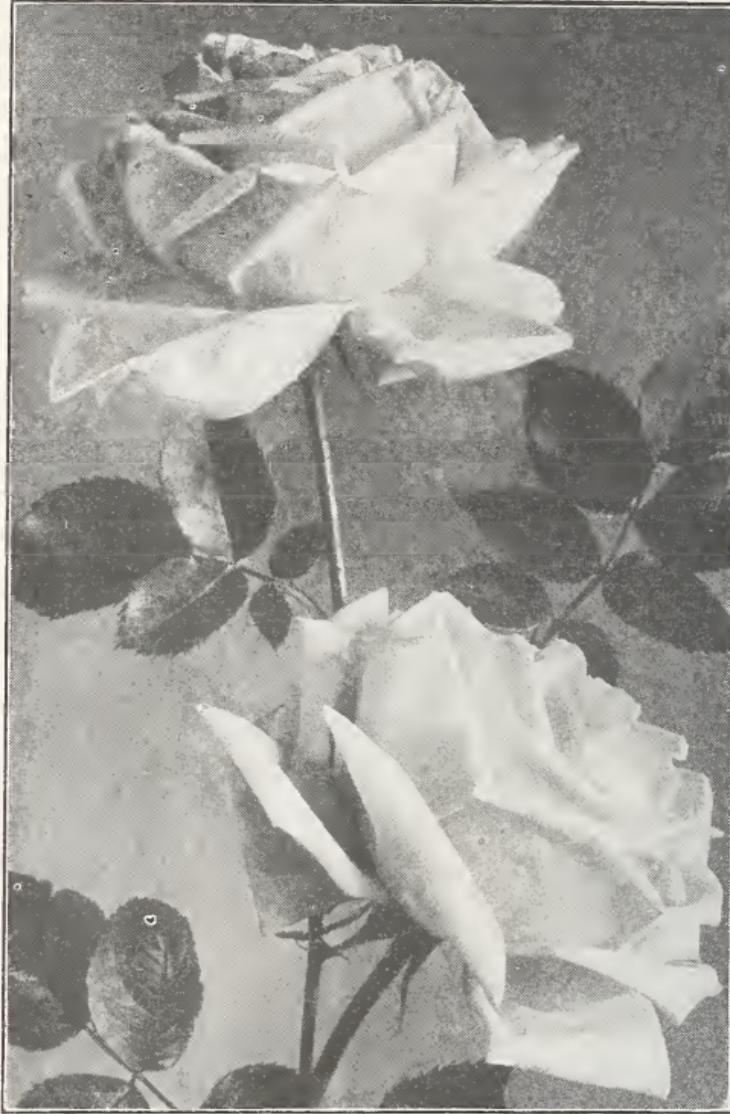

Countess of Gossford—Clear salmon-pink; base of petals suffused yellow; large, well-formed flowers; abundantly produced.

Edward Mawley—One of the finest of all dark crimson Roses. A true perpetual flowering Hybrid Tea. Received the much-coveted gold medal of the National Rose Society of England.

Etoile de France—Rich velvety crimson, center ruby red, large and double. Likes hot weather.

Francis Scott Key—A new red rose of great substance and keeping quality. Strong grower and free.

Frau Karl Druschki—Pure snow-white; long, pointed buds; large, full flowers; free and constant.

La France.

George Ahrends—Clear, brilliant pink, good bud and perfect form flower. Strong grower and in every way worthy.

George Dickson—Color velvety, dark crimson; splendid shape and good substance.

George Elger—The long-sought-for yellow Cecil Brunner. This, with Cecil Brunner and Perle d'Or, are the best corsage varieties. They all have about the same foliage and should not be confused with the other Polyantha "Baby" kinds.

Gen. Jacqueminot—Crimson scarlet, large, full, very fragrant. One more of the old ones that will always please.

Gen. McArthur—Bright scarlet, large, full and very free, erect branching habit and very perpetual. One of the finest and most fragrant roses grown.

Gruss An Teplitz—Brightest scarlet-crimson, growing freely and flowering profusely. Quite hardy even in cold sections.

J. B. Clark—Intense deep scarlet, heavily shaded blackish-crimson, large, full with immense petals.

Jon. J. L. Mock—Bright cherry-red, inside petals silvery-white. Large, full, with high pointed center.

Jubilee—A pure crimson with shadings of maroon. Strong, vigorous and good in any location.

Augusta Victoria—Creamy-white flowers of immense substance, smooth and nicely arranged.

Killarney Pink—Deep shell-pink, long pointed buds with large flowers. Very free and perpetual.

Lady Hillingdon—Deep orange-yellow, good size, long and pointed bud; excellent for cutting.

Lady Ursula—Beautiful shade of pink, strong grower.

La Detroit—Shell-pink, shading to soft rose. Large, full, upright and strong.

La France—Bright satin-pink with silver reflex. This variety will always be a heavy seller.

Maman Cochet—Light pink, shaded with salmon-yellow and outer petals splashed rose. Large and full. Fine to cut.

Marie Van Houtte—Canary-yellow, deeper center and border tipped with bright rose. Large, full and fine form. Sometimes called "straw" color.

Mme. Able Chatenay—Carmine-rose, shaded salmon. Large, full, free and strong. Flowers early and late.

Sunburst.

Mme. Cecil Brunner—Bright rose, shaded salmon-pink. The best of the miniature roses.

Mme. Caroline Testout—Clear, bright, satiny-pink. The rose that made Portland, Oregon, famous.

Mme. Leon Pain—Silvery flesh-pink, center yellowish orange, large, full and free.

Mrs. A. R. Waddell—Scarlet buds, opening to deep reddish saffron. Semi-double flowers, freely produced.

Papa Gontier—Rosy-crimson, fine, long bud; free and strong.

Paul Neyron—Deep rose, immense size, hardy and vigorous.

Perle des Jardines—Deep golden yellow.

Radiance—Brilliant rosy opaline-pink; large, free and beautiful form with sweet fragrance.

Ragged Robin, or Gloire des Rosamones—Deep crimson, semi-double, free and constant. Free from disease. Used extensively for hedges and to bud on.

Sunburst—Hybrid Tea. The best and most popular yellow rose ever produced; color intense shades of golden orange and yellow, brilliant in effect; buds large and well formed; produced on long stems. Its name typifies its glorious colorings, which are unapproachable.

Ulrich Brunner—Cherry-red, very large and fine form. Large petals.

White Maman Cochet—Cream-white, with edges flushed rose. Otherwise same as the Pink from which it is a sport.

Winnie Davis—Brilliant apricot-pink with reflex lighter tints, making very handsome semi-double, graceful rose. Buds long, fine form. Foliage clear, bright green. One of the best H. T. roses grown.

Climbing Varieties

\$1.50 per dozen.

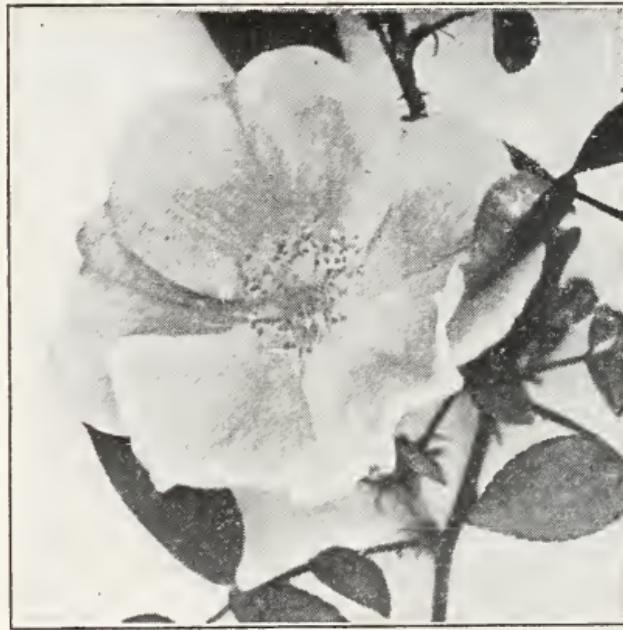

Cherokee, Pink—About the same in form and size as white Cherokee. Color bright, clear pink.

Cherokee, Single White—Foliage quite distinct—a valuable feature of the plant. Glossy, green, smooth surface, always clean. Flower large, clear white, with bright yellow stamens.

Crimson Rambler—Too well known to need description.

Cl. Cecil Brunner—One of the strongest growing roses we know of and it is a sport from the dwarfish bush variety of this name. Style of foliage and color throughout same as the bush. Bright, clear pink; baby size flowers so popular with June brides.

Cl. Caroline Testout—Another strong grower, with foliage and flowers same as the bush from which it is a sport.

Pink Cherokee.

Cl. Augusta Victoria—Pure white, shading at base of petals to primrose. A strong grower with same style foliage as the bush.

Cl. Papa Gontier—Color rich cherry-red. Wonderful bud, same as the bush variety.

Dorothy Perkins, W.—Beautiful deep pink. Too well known for further description.

Gold of Ophir, or Beauty of Glazenvwood—Color combination of copper, carmine and salmon. A most beautiful combination. One of the popular climbers in Southern California.

Lamarque—White, slightly shaded lemon. Large, full, very sweetly scented. One of the best climbers for heavy foliage.

Marechael Neil—Immense deep golden-yellow, very fragrant climber.

Mme. Alf Carriere—Pure white, slightly tinted yellow at base. Very free, very fragrant and very strong. Here they make splendid tree roses.

Reine M. Henriette—Rich and glowing crimson, retaining color in heat of summer. About our best climbing red.

White Banksia—Small white flowers in great profusion, making one of our most popular climbers.

Wurtemberg—Rich and glowing crimson, very strong grower; our best climber.

Yellow Banksia—Same as the white, except the color is clear yellow.
